Trane Warranty

The ProSpace™ PTAC includes Trane's standard limited warranty for equipment sold on an uninstalled basis. In addition, ProSpace™ PTAC units include the following 5 year limited parts & equipment warranty:

Parts: For five (5) years after the lesser of 12 months from initial start-up or 18 months from date of shipment, Trane will provide, free of charge (to include freight) the following factory-installed, functional parts which prove to be defective due to workmanship or materials: unit fan motors, unit blower wheels or fans, unit thermistors, circuit board, transformers and relays, unit heaters, reversing valve solenoid, unit power cord and unit capacitors.

Equipment: ProSpace™ Guaranteed Unit Replacement (sealed system failures) Trane will replace, free of charge, the entire unit when any portion of the sealed system fails due to a defect in workmanship or materials. Sealed system components include: evaporator (indoor) coil, condenser (outdoor) coil, compressor, reversing valves or refrigerant leaks or connecting tubing that proves to be defective in workmanship or materials. The replacement unit may be a newly repaired unit.

Accessory: During the 1st year after the lesser of 12 months from initial start-up or 18 months from date of shipment, Trane will provide, free of charge (to include freight), any part of a Trane brand accessory that is defective due to workmanship or materials.

Labor is not included in the Trane standard limited warranty for equipment or in the above limited warranty for the ProSpace™ PTAC.
